## CHARACTERIZATION ACTIVITY

As you watch the following episode, keep track of TWO characters and fill in each section. Use this graph to help organize your thoughts.

| CHARACTER NAME | APPEARANCE | ACTIONS (x2) | WORDS (x2) | HOW OTHERS TREAT<br>HIM/HER |
|----------------|------------|--------------|------------|-----------------------------|
|                |            |              |            |                             |
|                |            |              |            |                             |
|                |            |              |            |                             |
|                |            |              |            |                             |
|                |            |              |            |                             |
|                |            |              |            |                             |
|                |            |              |            |                             |
|                |            |              |            |                             |
